Date

10 Nov 2022

Attendees

- Ildiko Vancsa

Meeting recording

Discussion items

Time	Item	Who	Notes
30min	Contributor Guide	Ildikó	- Recent issues - The Docusaurus needs to be fully cleaned up - Issue: https://github.com/magma/magma/issues/12707 - Focus on the older versions of Docusaurus with cleanup - Raising awareness and getting feedback - The Contributor Guide link is added to the following Slack channels - contributing - dev - docs - general - What other ways we could share that the guide exists and where to share feedback? - The document is properly linked to relevant Slack channels and is also linked from the Docusaurus. The team on the call decided that this is enough for now, people who are looking for it should be able to find it. - Ildiko to check the project website and make sure that there is a link to the Contributor Guide
20min	Events	All	- Upcoming events - KubeCon EU - April, 2023 - CFP is closing on November 18 - MWC Barcelona - February, 2023 - OpenInfra Summit in Vancouver, BC - June, 2023 - CFP is opening in a week ?
10min	AoB	All	- Roadmap - Documentation is in a good shape - Enhancements and improvements to make the contributor experience better - Most of the tasks are more technical, ie to improve the development and deployment workflows and automation - Cancelling the call on November 24 due to Thanksgiving in the US
